

CENTRAL INDIANA JOB FAIR

The past two years have been tough on Hoosiers and businesses. While we've seen signs of recovery, high unemployment remains a significant challenge as too many talented and capable men and women find themselves out of work.

Our priority has been to not only create new jobs, but also to help hardworking jobseekers connect with emerging career opportunities. That's why I'm hosting the Central Indiana Job Fair , in cooperation with Ivy Tech Community College.

WHAT: Central Indiana Job Fair Hosted by Congressman André Carson in cooperation with Ivy Tech Community College

WHEN: Wednesday, August 25th -- 9 a.m. to 3 p.m.

WHERE: IUPUI's Campus Center Downtown Indianapolis
